

*Gregory J. Ockerman
Director*

Great Lakes

Institute of Photography

Welcome to the 15th year of GLIP. You are in for a great, and all new experience. We thank you for investing your time to come learn with us. We truly want this to be a week of learning, growing, new relationships, and friendships. The new campus, all the instructors, and the activities have been specifically selected with those goals in mind.

This year GLIP will be held on the campus of Washtenaw Community College in Ann Arbor Michigan. This location was chosen because it is closer to the majority of our students. Second, it's close proximity to major transportation routes to facilitate the ability of our students to drive to and from school. Thirdly, and most importantly, the wonderful diversity of possible photographic sites, and the state of the art classroom facilities.

Many volunteers have worked very long and very hard throughout the year to make GLIP 2010 happen. Each volunteer is responsible for a specific area of our program.

GLIP TRUSTEES & STAFF

Director—Gregory J. Ockerman	Gjodigital@aol.com (248) 946-1193

Party—Candace young	Candaceyoung91@aol.com

GLIP EXECUTIVE OFFICES

1427 S. Milford Road
Highland , MI 48357

fax: (248) 889-2346
cell: (248) 946-1193
e-mail gjodigital@aol.com

Classrooms

All classes will be held in the Business Education building (BE on the map). Please go to www.WWCNET.EDU the *Washtenaw Community College* website to view campus and parking maps and directions. The campus is very easy to locate just off US 23 north of I-94.

Campus Parking

The best location for parking is in Lot #4 (see map) directly in front of the TI & BE buildings off Huron River Road. All parking is free.

Car Pooling

For those staying at the hotel, and for instances when your class goes on location, it is strongly recommended that you share rides to reduce the number of cars necessary, to help keep the group together, and to save gas.

Messages

All cell phones **must be turned Off** while in class. If someone needs to make an emergency contact with you have them contact the Director at (248) 946-1193

Student Equipment

We recommend you bring a professional SLR and a wide angle lens to photograph the instructor's setups. Rather than trying to duplicate what the instructor is photographing you can purchase a CD set of the instructors class images. This keeps the class moving and allows you to refer back to your and the instructors images to refresh your memory of how they were created. You will probably also want to bring a Laptop computer to copy your files, update your notes, and to go on line. Please **DO NOT** use your computer in the class room without the instructors permission. The entire campus is WIFI capable.

Meals

GLIP will only be providing lunch every day. We have planned 4 separate styles of lunches, one for each day. In the Student Union building there are also a Starbucks, Subway shop, and other food sources. Wednesday is our Trade Show and the GLIP Party Banquet. All GLIP students are invited to the Trade Show and the Banquet. Student Id is required to eat at the Banquet! If you have any special dietary needs please contact Terri@Terrishaver.com by June 14th. On Mon & Tues after class, Staff, Instructors, and Students are invited to an afterglow gathering at two of Ann Arborgs Trendy Bar-Restaurants in downtown Ann Arbor. The location for each night will be announced at school, or you can call the Director the week before School. All Wednesday-Thursday students are also welcome, your GLIP student Id is required.

GLIP SCHEDULE FOR THE WEEK OF JUNE 20-24, 2010

Sunday June 20th

There are NO Student activities schedules for Sunday

3 pm—6 pm Classroom / and Store setup

There will be NO whole GLIP School picture this year. There will however be GLIP Individual CLASS Pictures to be made at your instructors discretion and convenience. The only requirement is that you all be wearing your GLIP shirts. You will be provided a copy of this image after school is out.

Midwest Camera Supply is again providing classroom camera equipment. They will also have a camera store set up from Monday-Thursday in the same building as the classes. All the equipment supplied by Midwest in the classes is for SALE at a discount. We strongly encourage you to utilize this wonderful opportunity to acquire the equipment you need from a truly loyal sponsor of GLIP and the photographic community.
